

highlights

■ LifeShaper

Classic morning devotions to rejuvenate the soul. Soren Kierkegaard once wrote: "A man prayed, and at first he thought that prayer was talking. But he became more quiet until in the end he realized that prayer is listening." Come, draw near. Listen in. In silence and in solitude, experience God. "In repentance and rest is your salvation, in quietness and trust is your strength..." (ISAIAH 30:15)

■ Word in Season

The Summit is never complete without Singapore's very own Senior Pastors bringing prophetic keynotes to set the tone for the year.

■ Prayer Buzz

A very important reason for the Summit is prayer. Prayer for one another. Prayer for the Church. Prayer for our nation. In that place of seeking, ministering, and interceding, God does wonders beyond what we dare ask or imagine!

■ Circles of Friendship

Relationships need cultivation. Make time for others. Enjoy good company in a refreshingly free and easy format this Summit. Be it in small group prayer flowing from the Word, or over a cup of tea, or at meals, expect divine appointments. Share heart-to-heart.
